EDITORIAL

Deddington won the Best Kept Village Competition in 1986, and though in many ways there has been a general improvement since then, we have not won again. Now there is another chance. The first assessment is early in May and the final judging in June. Everyone can help. We suggest:

- keep your eyes open
- pick up that cola can, sweet wrapper, plastic bag, cigarette packet
- better still, don't drop it in the first place
- take down your out-dated posters and notices
- keep grass verges neat and tidy
- train yourself to train your dog not to foul public places
- take special care of the area around your own house or shop.

And if we don't actually become the Best Kept Village this year, we can certainly be a Better Kept Village every year.

DEDDINGTON PARISH COUNCIL

NOTE OF MEETING ON 24 APRIL 1991, TOWN HALL, 7.15 PM

Members stood in silent tribute to Ken Garrett, former Parish Councillor and Chairman, whose recent death had deprived the community of one who was the epitome of good sense and good manners and who will be sadly missed.

THAMES VALLEY POLICE AUTHORITY public meeting had been disappointing. Councillors and villagers had put a lot into the occasion, highlighting specific concerns about vandalism, break-ins, and the effect of the M40 extension on local traffic flows and speeds. A more effective and more visible police presence was required. At the meeting, the police response had been bland and superficial. PC to invite Inspector Wallace and/or Crime Prevention Officer to attend a future PC meeting.

PELICAN CROSSING OCC's hasty and ill-considered decision to instal a pelican crossing at Deddington traffic lights, and dispense with the 'crossing lady', was strongly criticised. PC will write to the Highways Department. All parishioners concerned about the safety of children were urged to write NOW to the County Engineer and to Tony Baldry MP. [SEE SCHOOL REPORT p.8 and LETTER p.4 - EDS]

ANNUAL PARISH MEETING will be held in the Parish Church on Wednesday, 15 May, at 7.30 pm. The Agenda will include discussion of PC's suggestions for managing the Parish of Deddington Trust Funds. [SEE PAGE 3 - EDS]

PLANNING 1. *SOLAR DESIGNS, DEDDINGTON* - on site visit by Councillors confirmed their worst fears. The Company has yet to state in writing that at least part of the upper carpark area will be lowered. The 'temporary' buildings are still there and must be removed within 2 months. Some of the original conditions of 1984 are not being complied with, such as working hours & noise levels. Cllr Todd declared a non-pecuniary interest. District Cllr Croft reported that council officers are now spending more time on the Solar Designs case. 2. *CENTREPOINT, DEDDINGTON* - change of use needs to be clarified. 3. *PARK FARM, NEW STREET, DEDDINGTON* - conversion of farm buildings into dwellings: PC expressed dissatisfaction at the short notice and noted that if the farm continues to operate there could be access problems.

GOOSE GREEN PC to ask British Gas to attend to exposed gas pipes.

WINDMILL COMMITTEE [SEE REPORT ON PAGE 13 - EDS]

SKIPS Because of misuse, especially by people from outside the village, PC requested that skip times SHOULD NOT BE PUBLICISED.

CASTLE GROUNDS Dangerous play equipment has been removed. PC to arrange for area to be cleared of concrete rubble, metal stubs etc. When the new Windmill Centre facilities have been evaluated, PC to undertake thorough review of Castle Grounds.

PARISH OF DEDDINGTON TRUST PC approved grants of £20,000 to Bowls Club; and £8,500 to Play Area Scheme, subject to planning permission. Dr Mace drew attention to the effect of lower interest rates on Trust Fund capital. PC to seek specialist financial advice on how to maximise the investment. [SEE ALSO PAGE 3 - EDS]

ACCOUNTS Major account passed for payment was £10,128.70 to P J Meagher for work on Windmill Centre approaches. Four unusually large bills from Southern Electric, including some for money already paid, will be investigated. [MAYBE THE PC SHOULD INVEST THE TRUST FUNDS IN SOUTHERN ELECTRIC - EDS]

PARISH OF DEDDINGTON TRUST

The Parish Council has no powers to transfer the money raised by the sale of village land to a charitable trust. Legally, the funds may be spent only by the Parish Council, within the statutory powers laid down. The following suggestions for managing the funds will be discussed at the Annual Parish Meeting, to be held on Wednesday, 15 May, in Deddington Church at 7.30 pm.

1. i The name *Parish of Deddington Trust* should be retained; the money should be termed *Trust Money*, and should be kept separate from *Precept Money*.
- ii *Trust Money* must clearly be used within the confines of statute law.
2. i Applications for grants from *Trust Money* must be accompanied by a standard Application Form, completed as fully as possible.
- ii For the time being, such applications will be considered by the three *Councillor Trustees* acting as a sub-committee of the Parish Council (PC); their recommendations will be submitted to PC for decision, and appear as an Agenda item.
- iii In the longer term, it may prove to be more convenient to form a *Grants Committee*, with a budget, to make decisions independently. This sub-committee, which would of course make regular reports to PC, would consist of Councillors (perhaps four) with power to co-opt when specialist advice, or extra information, was required.
- iv Grants should only be awarded to bona fide bodies for capital needs; regular maintenance grants would not normally be made.
- v Grants would only be made after the *Grants Committee* was satisfied that there was genuine need, that the receiving organisation could properly manage its affairs, and that the grant could be seen as likely to benefit the community in the long run.
- vi Grants will not normally cover the whole of the expressed need; the receiving organisation would be expected to make some contribution from reserves, members, and from fundraising activities.
3. i Apart from making grants to local organisations for recreational activities, there must be scope for the use of *Trust Money* on a wider basis, to the direct benefit of the community as a whole.
- ii Such schemes could originate from PC itself, or from individuals. They might involve large sums, perhaps on a continuing basis; they might involve the use of the capital of *Trust Money*.
- iii Very careful consideration would be needed for such schemes. PC would usually need to seek informed and objective advice as to feasibility, costing and perhaps profitability.
- iv A form of *Think-tank*, or advisory body, would be useful for this purpose; it would assess ideas submitted by PC, or from outside, or originate schemes itself, providing detailed reports on feasibility and desirability.
- v The three *Elected Trustees* could be asked to undertake this on a voluntary basis; they would not be a PC sub committee, but might need some clerical and secretarial support.
- vi For major schemes of this sort, PC, of course, must take the final decision.

FROM THE EDITORS' POSTBAG.

FROM: CAROL MAHFOUDH, THE HOLCOMBE HOTEL, DEDDINGTON - COPY OF LETTER TO THE COUNTY ENGINEER, OXFORDSHIRE COUNTY COUNCIL, DATED 16 APRIL 1991

I am writing with regard to the new Pelican crossing at Deddington traffic lights and the imminent redundancy of Pam Harper, our crossing lady.

I have a nine year old at Deddington Primary School and live at the above address approximately 15 yards from these lights. I therefore have a great interest in these developments. I would like to know who made the momentous decision to take away the only safe method of children crossing this main road. Does this person have any children and if so do they attend Deddington Primary School?

Presumably this decision has been made due to the de-trunking of the A423 and the opening of the M40. However it fails to take into consideration just how busy this road is and the incredible danger the children will be in when the lights fail, as they already have. As I mention above, we live almost on top of the lights and are more aware than most people of the amount of traffic still using this road and of the stupidity of drivers trying to jump the lights. What a wonderful mixture it will be of drivers and children all trying to cross the lights on amber. Is it really your intention to let five year olds literally "dice with death"? Who will supervise the children when the Pelican crossing fails? Shall we have to wait until a child is hurt before something will be done? What will your answer be - "Sorry I was only doing my job"?

Our crossing lady knows all the children and watches for them coming from Hempton Road. She even holds the little ones' hands across the road. Some of the lorries still using the A4260 are enormous and quite frightening to a five year old.

As you are probably aware, the Pelican crossing did in fact break down the day after installation. It was later than 7.30 pm before the lights were working again. Surely you must be aware what a dangerous crossroads this is for cars, let alone children, when there are no lights to control the traffic. Particularly so because West to East traffic cannot see the North to South traffic without pulling right out into the middle of the road. How much more dangerous will it be having youngsters trying to dodge the traffic to get to school on time. Imagine trying to turn left from the Hempton Road to Banbury and being confronted by children crossing willy nilly.

I must also take issue with engineers being supplied with portable telephones. At what cost to us? Perhaps if one or two of these telephones were put into voluntary redundancy, our crossing lady would not be put into forced redundancy. She can hardly be an expensive item in your total wages bill, and think how much sounder at night you will sleep knowing the children of Deddington are in her safe keeping. What nightmares otherwise.

I look forward to an early reply and of course a reversal of your decision to make redundant Mrs Harper.

PS This a.m. the lights were once again out of action, with cars crossing at will and I might add at speed. Is this going to be the norm for school days, two out of five days broken?

**FROM: W F M HUNT, CLERK, DEDDINGTON CHARITY ESTATES,
EARL'S LANE, DEDDINGTON**

This Charity's attempts to cover the walls of the upper room of Deddington Town Hall with items relating to the area's past - and hopefully its important future - is making some progress, albeit slowly.

The most recent acquisitions are a photograph of the worthies who constituted Deddington Parish Council prior to the May 1990 election and a document outlining the by-laws relating to the grounds of Deddington Castle. One of the signatories to this document is the late Mr Charlie Fuller, who was a member of the Parish Council at the time the by-laws were approved and who also played a very prominent part in many other activities associated with Deddington. This document has been framed and presented by members of his family. The Trustees of this Charity express their very sincere thanks to the Fuller family for their very kind action.

A number of other items have been promised and we look forward to the day when it will be difficult to 'stick a pin' in the walls without defacing an item which reveals one aspect or other of Deddington's important past and its even more illustrious future.

POLICE CORNER

I return this month, after some absence, on a sombre note. Over the past few months I have received complaints of criminal damage being caused to plants and shrubs placed outside dwellings, and also to parked vehicles. Since my posting to Deddington in 1983, we (the police) have experienced very few cases of this nature towards property. Now there is an increase. I feel this type of offence is not only unlawful but can be termed an "Environmental Nuisance". My message to the culprits is that when they are caught they will have only themselves to blame, and that they grow up, and quickly.

Any person with any information with regard to this matter can contact me at home. Court proceedings will be recommended against any offender detected.

DAVE KEATS, Deddington Police Office, 38444

NEIGHBOURHOOD WATCH

Neighbourhood Watch Schemes to help in crime prevention have been set up in nine areas of Deddington and in the St John's Way area of Hempton. So far, about 180 households have joined the schemes. It is hoped to expand these to cover at least 50% of the households in those areas and to include the rest of Hempton and Clifton in the near future. Volunteers are needed to act as local Neighbourhood Watch coordinators for: THE LEYES, CHAPMAN'S LANE, CLIFTON, HEMPTON WEST. Anyone prepared to help should contact the Chief Coordinator, JOHN NEILD, on 38521.

DEDDINGTON FIRE SERVICE

FIRE CALLS The last month has been very quiet, with the Station receiving only 9 calls, which were - 2 calls to house fires in Banbury but we were not then needed, 1 fire at Lake House, Adderbury, 1 chimney fire, 2 false alarms with good intent, 2 false alarms on automatic systems, and 1 call to stand by at Bicester Fire Station. This brings the total to 71 calls so far this year, which is well down on last year when at this time we had responded to 95 calls.

DEDDINGTON FIRE SERVICE HISTORY We are trying to put together some of the history of the Fire Service in Deddington and we would like any old press cuttings or photographs to copy. If anyone has any, I would be most grateful if I could borrow them, with my promise to return them as soon as I could.

BILLY SCOTT McDONOUGH, LAURA LEE McDONOUGH and ANNETTE MURPHY.

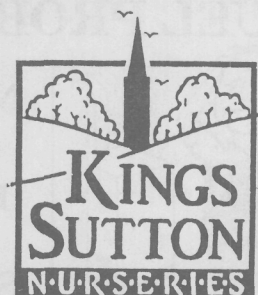

FUNERAL - 17 April in Deddington Church - KENNETH GARRETT, aged 67, of Hempton. Ken was born into a farming family in Clifton. He was first employed in the Great Western Railway Telegraph Office in Banbury and developed a keen interest in railways and steam engines. In the last war he served in the RAF and performed duty in Egypt, Syria, Iraq and France. He married Edith in 1947 and came to live in Castle Street, Deddington. They had two sons, Peter and Andrew. After the war Ken worked as a signalman at Aynho railway junction and in 1961 took over a news-agent business, first operating from Castle Street. In 1965 he became Postmaster in Deddington, combining the Post Office with the newsagency. He retired in 1985. Ken was a Parish Councillor for many years and was twice Chairman of the Council. He was also Governor of Deddington C of E Primary School and a Trustee of two local charities. He was very popular and much loved for his many acts of service. We extend sympathy to Edith, Peter and Andrew and all other relatives.

CHURCH AND CHAPEL CONTINUED

DEDDINGTON WESLEYAN REFORM CHURCH

I have been Pastor of the Wesleyan Reform Church for five months now, which means I am getting to know my congregation and some of the village people. I am also finding my way around the area. I am in Deddington on Monday, Wednesday, Friday and Sunday of each week. Messages can be left for me on Deddington 38447. My home number is 0926 640806.

We have our Sunday worship at 10.30 am., when you will find a warm welcome. On Monday lunchtimes at 12.30 pm a group of people from our church meet for prayer at Cromwell House, Market Place, Deddington. On Wednesday evening we have, on alternate weeks, shared prayer and praise, and bible study. The prayer and praise is held at Cromwell House at 7.30 pm and the bible study at 4 Chapel Close, Clifton. All our fellowship meetings are open to anybody, regardless of denomination. Transport is always available to go to Clifton. Just ring either Deddington 38024 or 38447. In May, the bible study group hopes to begin a study upon prayer. We will be using tapes by Joyce Huggett.

NEWS FROM HEMPTON

KEN GARRETT With the many other people in Deddington, Hempton, Clifton and beyond, we would like to express our sorrow at the sudden death of Ken Garrett, and join them in extending our sympathy to Mrs Edith Garrett, Peter, Andrew and the family. Working at Deddington Post Office, serving on the Parish Council and as a neighbour here at Hempton, Ken showed his good humour, cheerful common sense, patience and kindness. Many people have had the opportunity of working alongside him in one or other of his many activities over the years. It is a pleasure and a privilege to have known him. In tribute to Ken, a collection was made in Hempton and, at the family's request, passed to the British Heart Foundation. Just over a hundred pounds was donated in this way.

FOOTPATHS - or the lack of them. One particular place fraught with danger is of course "The Gap" in Hempton, beside Fairview - the scene of many, mostly minor, accidents to both vehicles and people and near misses too numerous to count. After such an incident, the garden wall was largely demolished and bits of car were mingled with scattered stones. Martin and Jean Pickard generously offered to release a strip of their garden if the highway authority would build the ten yards of footpath upon it and rebuild the wall suitably set back. The offer was not taken up and the wall was eventually rebuilt in its former position. Perhaps if the offer were made now it might be possible to reconsider the project and one hazard could be improved at comparatively little cost.

CONTINUED ON P.8.

NEWS FROM HEMPTON CONTINUED

Meanwhile, ON BANK HOLIDAY MONDAY (6 May) starting 10.30 am, we shall be using the kerbstones we DO have to build our Trail of Copper. You HAVE been collecting coins haven't you, in anticipation of this event? The Bazaar in the Church Room and grounds, with gift stalls, games, plants, tombola, cakes, teas etc, starts at 2pm.

THE FRIENDS OF HEMPTON CHURCH recently decided to offer directly to pay half of the greatly increased insurance premium, and in future a small part of the fundraising will be directed towards this and other aspects of the regular running costs, in addition to the funds committed to repairs and improvements to the building.

JOHN WEBBER 38508

SCHOOL REPORT - FROM DEDDINGTON PRIMARY SCHOOL (see also HSA p.14)

THE GOOD NEWS OR THE BAD NEWS! - which would you like first? Well, the good news is that the County Engineer's Department has installed a pelican crossing across the Deddington to Banbury Road at the traffic lights. The bad news is that, as a result of this and the 'de-trunking' of the main road, Pam Harper, the road crossing supervisor, is being withdrawn at the end of the term.

This proposal deeply concerns parents, staff and governors of the school. The proposals are on the grounds that the road is no longer as busy. As a result of surveys that we at school have made, we would agree. However, the traffic still approaches the crossroads at speed, and traffic still cannot see around the corner when turning on to the Banbury Road. [SEE LETTER, PAGE 4 - EDS]

If this proposal concerns you, please would you help. What can YOU do?

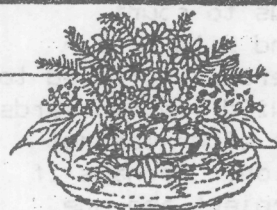

- * WRITE to the County Engineer's Department directly (David Hook Esq, County Engineer, Speedwell House, Speedwell Street, Oxford OX1 1NE) or send your letter to school and we will post it on.
- * SIGN the petition that Pam Harper and friends are organising.
- * TELEPHONE the Department and let your voice be heard (Oxford 792422).

For our part, parents and governors are writing, Councillor Matthews is lobbying on our behalf, and I am meeting with Tony Baldry MP to seek his support. The children are surveying the traffic at the start and end of the school day and are making a video of the traffic. I have also been in touch with Thames Valley Police Traffic Department. Any other suggestions that you might have will be more than welcome.

THE WAY WE WERE

DEDDINGTON 150 YEARS AGO

Buffy Heywood reports that in the diaries of the Rev Cotton Risley for the month of May 1841 we read of the death of the local school mistress at the age of 24, and then of his travels to Brighton and London.

3RD MAY - The bell tolled at 8 o'clock this morning for poor Lucy Bennett, the National School mistress who was carried off in the 24th year of her age by a virulent fever of 3 weeks duration which baffled all medical aid. A more melancholy case in all its features and circumstances from first to last I never met with in all my professional experience. "In the midst of life we are in death," I saw her for the last time alive between 8 and 9 o'clock in the evening - she knew me and asked after Susan - and thanked me when I said God Bless You and good night. She expired at about two o'clock this morning. I called after breakfast on her afflicted Mother and family and gave them what consolation I could and made one or two arrangements preparatory to her funeral which will take place on Thursday at two o'clock in the afternoon - I did not take the pence at the school as usual not feeling equal to the thing.

6TH MAY - I buried Lucy Bennett this afternoon at 2 o'clock poor thing, having subjected my feelings to a very severe trial in so doing.

16TH MAY - Heard of W Whetton's suffering a fight near his house during service time and that a man was lying dead drunk at his door - he keeps a beer house, the Butchers Arms. [DOES ANYONE KNOW WHERE THIS WAS?]

17TH-29TH MAY - Absent with Susan in London and Brighton seeking a school for Betsy, agreed to send her to a Miss Roberts at Brighton. I dined at the Pitt Club at Merchant Taylors Hall in London with my friend Lord Eldon who was in the chair and acquitted himself admirably therein. The meeting was a long and influential one - about 200 persons were present. The meeting is held at Merchant Taylors Hall every third year. Susan was present in a gallery above the Hall with Lord Eldon's mother and Lady Eldon's Mother, Lady Feversham - to hear the speeches and singing. I renewed my acquaintance with Lord Redesdale thereat.

31ST MAY - Attended a meeting at the Town Hall to form a new Benefit Society, or rather Provident one, of Males and Females in accordance with the rules laid down in a particular Act of Parliament, 10th of George the 4th, I believe.

... AND 70 YEARS AGO OR THEREABOUTS - by Lily Hill

The village blacksmith/farrier and the veterinary surgeon were both of course very necessary in a farming community with 8 farms. Although the motor car had scarcely arrived (at least not in Deddington) transport was good with 3 buses a day into Banbury and 2 into Oxford. Two of the publicans had a taxi, hired mostly by people needing to travel from Aynho Station or be picked up from there. There were 2 carriers going to Banbury especially on Market Day, with horse-drawn vans - Thomas Deely's and Callow's. Old Aunt Hannah (Callow) as we called her (she was my mother's aunt) made quite a picture in her old-fashioned Victorian style of dress, skirts sweeping the ground and a black very high poked bonnet sitting upon her head, and she sitting up there driving the horse and van. She obviously had great sympathy for her horse for when she carried two or three passengers as well as goods, she always made the passengers get out and walk up Deddington Hill.

Mrs French, who lived in the house opposite Solar Designs, had extensive gardens and was always willing, upon request, to supply from her own home-grown flowers beautiful floral arrangements to suit any occasion. In one of the 3 cottages adjoining Satin Lane lived an Italian family called Tuzzio who in the summertime made and sold icecream and all the year round toured the surrounding villages with their barrel organ complete with monkey.

There were 2 building firms. The head of one of them was Mr Alfred Hopcraft. He was choirmaster at the Wesleyan Chapel and gave very generous financial aid to its upkeep. My father was the firm's blacksmith.

DEDDINGTON COUNTRY FAIR, SATURDAY 13 JULY, 1991

200 years of church bells

"History is bunk". A pithy saying attributed to Henry Ford but for those of us who take a pride in our heritage, what could be a better excuse for a Country Fair than the bicentenary of the re-commissioning of the bells of our Parish Church of St Peter and St Paul in 1791, after they had been taken away for making into armaments during the Civil War of the 17th century. SATURDAY 13 JULY 1991 will be a date to remember!

The Fair organising committee are well ahead with the planning; many of our village clubs and societies have already responded to the invitation to play a part in running one of the events, and many village firms and people have already undertaken to support the Fair in a variety of ways.

Stalls and side shows will offer substantial bargains for the discriminating. There will be a whole host of other attractions, too numerous to mention here. When the time comes, buy a programme containing full details and entitling you to enter the special competitions, with splendid prizes, plus a Grand Draw (raffle tickets for sale in advance and on the day) with a whole array of super prizes donated by local firms and individuals.

At 1.30 pm the opening ceremony will have as its centre-piece a Grand Procession, directed by our very own Mrs Elizabeth Ware, from Ivy House in the Market Place to the West Door of the Church. There the Bishop of Dorchester will re-enact the ancient tradition of handing over the Church Bells, to Bill Ivings, Captain of the Tower. This colourful cameo, in costumes of 1791, should encourage many others to come to the Fair in period dress - 1791, 1891, up to the minute 1991 - the more variety, the more interest and fun for everyone. Everybody will be invited to take part in the Costume Parade outside Ivy House at 4 pm. So whether you agree with Henry Ford or not, come and make a little bit of Deddington History on Saturday 13 July; it's all for the good of the village.

NOW A FEW REMINDERS AND REQUESTS - DO RESPOND IF YOU POSSIBLY CAN.

Can you help in some way? Can you offer goods for the stalls or help to run one?

CALLING ALL CLUBS - PART 1

EDITOR: MARIANNE ELSLEY

WINDMILL COMMUNITY CENTRE

John Burdon, Acting Chairman, addressed the AGM on 22 April. He said that the election of the committee had had the twofold difficulty of numbers and of the irregular attendance of members. He recommended that all local clubs should, if they wished, choose a representative who was entitled to attend management meetings, but not vote. At present bookings were well up on last year. The sports fields were of a superb quality. However, the cost of maintaining them, and the making of much needed improvements to the Hall, was very heavy. As the Centre did not wish to be a burden on Village finances it must place much reliability for meeting the bills on income from lettings. With such good facilities he saw an exciting future for the Centre.

GUIDES

Much of our time recently has been spent on camp preparation. We're off to Horley with the Adderbury Guides the last weekend in May. There is still a lot to be done but we have checked the equipment, learnt knots and lashings and tying bedding rolls and have practised fire-lighting and cooking at an evening cook-out, thanks to

Mr and Mrs Pleydell Bouverie for allowing us to use their garden. Senior guides have been to a light weight training camp and made it back in time to join us for St George's Day Parade in Banbury. Very smart turn out.

We have welcomed Emily Cox and Beth Pender to the unit at their Promise Ceremonies. We have also had a talk from a local Community Liaison Officer on the dangers of drugs and how to be alert to any potential situation where drugs may be available. There are lots of activities lined up for the rest of the term. So, if you are aged 10 or over, come along and see.

DEDDINGTON BEECHES BOWLS CLUB

We have looked forward to the new season with great excitement, and started practising on 1 May. Our first game is on 4 May against Oxford Gas. We always warmly welcome new members, both experienced and beginners. We can supply the equipment, but please wear flat soled shoes. Members normally practise Monday to Friday evening on the Green in Earls Lane. Do come and enjoy a pleasant evening. PLANT AND PRODUCE STALL - this will be in the Market Square on Saturday 11 May.

KEN BOWEN 38536

DEDDINGTON PLAYGROUP

A special hello to some new children: Stephen Adkins, Eleni Samual, Peter Fellows Tom Banks, Grace Patterson and David Gibbs. We have said goodbye to Sam Colley, Maria Harcourt, Christopher Allen, Sarah and Anna Charig and Rachel Carss and wish them the best of luck in their new schools and homes.

PLAYGROUP JUMBLE SALE - This will be held at 2pm on Saturday, 18 May, in the Playgroup Hut (admission 10p). Everyone is welcome, and if you have any jumble to donate, please contact a committee member.

PLAYGROUP SUMMER OUTING - We are planning a trip to Burford Wildlife Park near the end of June (on a school day). Any mums with young children who would like to join this, please contact any committee member. Details later.

THE U 3 A (UNIVERSITY OF THE THIRD AGE)

This active club for the retired is gradually growing in numbers, and therefore it is possible to increase the range of our activities. There is now a flourishing Sunday Lunch Club, where members can get together to enjoy a good meal with others. The Theatre Group has plans to visit "Same Old Moon" in Oxford, and the Painting, Literature and Bridge groups continue to be enjoyed. This month Mr Leathart gave us a journey round the World with slides of trees of different regions. Much interest was shown in this, if the many questions afterwards are any indication. On Club Day many interesting topics were discussed, and the occasion enjoyed by all. Last week Mrs Sue Uzzell put forward the idea of starting a company that, for a reasonable charge, would supply trustworthy workers to cope with some of the odd jobs the elderly find impossible to do.

If you would like to join us at the Windmill Centre, Wednesdays 2.30pm, why don't you just come along or phone us on 38101 or 37113 for more details.

HOME SCHOOL ASSOCIATION - SWIMMING CLUB

The Swimming Club will be open during the School holidays, to Deddington school children, their friends and relatives up to the age of about 12, on Tuesdays and Thursdays 2 - 4pm. 50p per session for children who are non-members.

POOL HIRE Once again the pool is available for hire to family groups, at weekends during term time and on any day of the week during the Summer Holidays, other than at Club times. The rate is a nominal £5 for 2 hours, £10 for 4 hours. Anyone interested please phone me.

DEDDINGTON WI

The April meeting of the WI was on the 9th. Mrs Elsley was in the chair. During the business part there were reports on a Group Meeting at Adderbury. The speaker had been Molly Harris and the 12 members who went enjoyed hearing her. We thank Adderbury for a delightful evening and good refreshments. The other report was of the Half Yearly meeting at Oxford.

The speaker for the evening was Mrs Greenwood of Bicester, who is a Genealogist. To demonstrate her subject she used her own family as an example. She researched with the aid of Church Registers, National Registers and by tramping round likely church yards for dates and names on tombstones. It seems that patience and perseverance are the criteria for this hobby. Mrs Greenwood showed slides of old records and letters. Our next meeting will be on 14 May, when we shall go through this year's Resolutions with the help of a County Officer from Oxford. New members are welcome, as are visitors. We meet at 7.30pm at the Holly Tree Club.

MARIANNE ELSLEY 38251

BADMINTON CLUB

The AGM will be on Monday, 20 May, at 8pm at the Windmill Centre. Please come, we need your support and comments, good or bad, on the Club's future. The season finished at the end of April but Badminton will continue through the summer (on Tuesday evenings only) 7-10pm. Membership for the Summer season is £12 plus 50p per session. Anyone interested should contact Pauline Gattley on Fritwell 346654 or come along on a Tuesday and see a Committee member.
